What you get

Your \$595 tuition to the *Fire Findings'* 3-day seminar, "Scene Exam, Report Writing and Courtroom Testimony," in Kalkaska, MI, includes:

✓ In-person processing of a fire scene, including determining area of origin, identifying potential ignition sources, and artifact collection and preservation.

✓ An electrical engineer and an ignitable liquid detection canine will be available as resources during the fire scene exercise.

✓ Author a report based on your findings and prepare your case for trial.

✓ Provide courtroom testimony while being cross-examined by extremely well-versed attorneys.

✓ 20-hour, tested certificate available.
